Description
This field in Ora covers 3011 m² of open countryside in the Larnaca district, a landscape-led setting well away from dense urban development. The centre of Ora village is a short drive away, and the neighbouring villages of Lageia and Vavatsinia are also close by. A petrol station and the main roads are within a drive, and the Nicosia to Limassol motorway can be reached for wider travel across the island. The land sits within a protected countryside area. It is a simple, well-proportioned piece of the Cypriot countryside at the heart of the Ora area.
