Description
Set in open countryside, this field in Ora, Cyprus covers 8696 m² of land in a landscape-led setting away from dense urban development. The village centre is a short drive away, as are the neighbouring villages of Lageia and Agioi Vavatsinias. A petrol station and the main roads lie within a drive, and the Nicosia–Limassol motorway links the area to the rest of the island. The land lies within a protection zone. It is a generous, uncomplicated piece of the Cypriot countryside on the edge of Ora.
