Description
Set in the countryside around Stroumpi, this agricultural field offers 12,188 m² of open land in the Paphos district. Its agricultural zoning suits farming and planting, and its generous size gives plenty of room to work the ground. It could also be a practical addition to an existing farm or rural holding.

The village centre and neighbouring Theletra are a short drive away, as are petrol stations. The Limassol–Paphos motorway and its junctions can be reached by car.

A versatile piece of agricultural land with space to farm, plant or hold.
