Description
Cafés and restaurants sit right beside this ground-floor apartment in Kamares. It lies in a quiet part of Tala, where the village itself, its schools and its medical centres are all within walking distance. Life here moves at an easy pace, with everything you need close by.

Inside, an open-plan living room and kitchen sets a relaxed rhythm for the day, with one bedroom and a bathroom alongside. Covered verandas carry the living space outdoors, offering a sheltered spot for morning coffee or a slow evening meal. Being on the ground floor makes coming and going simple, and a parking space reserved for the apartment's own use adds to the everyday ease.

When the day calls for it, the communal swimming pool is there for a cool swim before you settle back on the veranda. A short stroll takes you to the village and a table at one of the cafés next door.

This is a compact, easy-to-manage home with a pool, covered verandas and village life on the doorstep in Kamares, Tala.
