Description
In a quiet part of Kamares, Tala, this ground-floor apartment brings village life right to your door. Restaurants and cafés sit next to the building, and Tala itself is an easy walk away, so a relaxed lunch or an evening out never needs planning.

The home lies in a small two-storey building completed in 2006 and offers 70 m² of comfortable everyday living. A covered veranda carries the rooms outdoors, a natural spot for a morning coffee or a slow evening meal in the warm air. Residents share a swimming pool for long summer afternoons, and a parking space set aside for your own use makes coming home simple.

The area is well served for daily life, with neighbouring Tremithousa only a short drive away. Calm surroundings, a pool to cool off in and cafés just steps from the door make this a place where everyday living feels easy and unhurried.
