For Sale : **€ 81,000**

Description
Restaurants and cafés sit right beside this ground-floor apartment in Kamares, a quiet residential corner of Tala where village life is never far away. The village itself is within walking distance, so a morning errand or an evening stroll needs no car at all.

Inside, an open-plan living room and kitchen forms the heart of the home, a relaxed space for cooking, eating and unwinding together. A bedroom and a bathroom complete the layout, simple and easy to keep. Covered verandas carry life outdoors, offering a sheltered spot for an early coffee or a slow supper as the day cools.

Shared grounds add a communal swimming pool, somewhere to cool off on a warm afternoon, and the apartment comes with a parking space of its own, so coming home is always straightforward.

Compact, comfortable and set in a calm village neighbourhood, this is a home that makes everyday living feel unhurried, with a pool to enjoy and Tala close at hand.
