Description
Set in open countryside, this field in Theletra offers 10034 m² of agricultural land in the Paphos district. It is a versatile piece of land for farming or planting, and a practical addition to an existing agricultural holding.

The Theletra village centre, Old Theletra and neighbouring Giolou are all a short drive away, as are petrol stations. The main roads and the Limassol–Paphos Motorway are within a longer drive. This is a sizeable parcel of agricultural land with plenty of room to work.
