Description
This agricultural field in Kritou Tera offers 11,892 m² of open land in the Paphos countryside, a short drive from the village centre. The ground slopes gently and has an irregular shape, set within a natural environment typical of this part of the district. Its agricultural zoning suits farming or planting.

The neighbouring villages of Tera and Kato Arodes are a short drive away, as are petrol stations. Main roads are within driving distance, and the Limassol–Paphos Motorway lies in the wider region. This is a generous, versatile piece of farmland in the Kritou Tera countryside.
