Description
In Kato Drys, Cyprus, this field of 4,683 m² offers a versatile piece of agricultural land in the Larnaca countryside. Its agricultural zoning suits farming and planting, or simply holding a piece of the Cypriot countryside close to the village.

The village centre is a short drive away, as are neighbouring Choirokoitia, Drapeia and Ora. Main roads, petrol stations and the Nicosia–Limassol motorway are also within a short drive, which makes regular trips out to the land straightforward. The Larnaca–Limassol motorway is a little further. It is a sizeable parcel of agricultural land in an open rural setting.
