Description
Among the hill villages of the Limassol district, this field in Dierona offers a modest foothold in authentic Cypriot village life. Its 419 m² sit within a residential zone, a setting where a home of your own is the natural use of the land.

The surroundings are rural and unhurried, with a strong local identity. Restaurants, cafés and green spaces are a short drive away, as are the neighbouring villages of Arakapas and Prastio Kellakiou. A supermarket, a school and a sports venue are within a drive, and so is the Transfiguration of the Saviour Church, a well-known heritage site in the area. Main roads are close by, and the motorway is within reach for trips to Limassol and beyond.

The plot is offered as part of a group of properties rather than on its own.

What stays with you is the setting: a small piece of residential land in Dierona, where traditional village charm and a closer connection to nature shape everyday life.
