Description
In a quiet residential corner of Kamares, Tala, this ground-floor apartment keeps village life close at hand. Cafés and restaurants sit right beside it, the heart of Tala is a short walk away, and schools are within easy reach on foot. The Agios Neophytos Monastery lies not far from home, adding a touch of local heritage to the setting.

Inside, 68 m² of living space opens onto a covered veranda, a sheltered spot for morning coffee or a slow evening meal outdoors. On warm days the communal swimming pool waits for a cool dip, and an allocated parking space means no search for a spot when you come home.

Built in 2006 within a two-storey building, the apartment offers a calm, manageable home, with neighbouring Tremithousa a short drive away when you want a change of scene.

A practical home where the pool, the veranda and the village all sit within easy reach.
