Description
A field of 10034 m² in Thrinia gives a buyer a versatile piece of agricultural land in the Paphos countryside. At just over a hectare, it offers generous room for planting or cultivation, or for adding to an existing farming holding. The setting is rural and open, away from dense urban development.

The village centre is a short drive away, as are the neighbouring villages of Lasa and Drymou. A petrol station and the main roads lie within a drive, and the Limassol–Paphos Motorway serves the wider region. This is a straightforward agricultural field of a good working size in Thrinia.
