Description
An agricultural field in Stroumpi, in the Paphos district, covering 5,686 m² of open countryside. Its agricultural zoning suits farming or planting, and it could serve as a practical addition to an existing agricultural or rural property.

The village centre and petrol stations are a short drive away, as are the neighbouring villages of Theletra and Old Theletra. Main roads and the Limassol–Paphos Motorway are within a drive, giving links across the district from this landscape-led setting away from dense urban development around Stroumpi. A generous, versatile piece of agricultural land in an open countryside setting.
