Description
A field of 22,743 m² in the open countryside of Dora, Limassol district. The land lies in a non-urban setting, away from dense development. The village centre is a short drive away, and the neighbouring villages of Anogyra and Mousere are also close by.

A main road is a drive away, as are the junctions of the Limassol–Paphos Motorway, which link this part of the district with both towns. This is a large, open piece of Cypriot countryside on the edge of Dora.
