Description
A generous agricultural field in Stroumpi, set in an open countryside landscape in the Paphos hills. The land extends to 7,358 m², a well-proportioned area for farming or planting under its agricultural zoning. It could also serve as a practical addition to an existing rural holding. Stroumpi village centre and petrol stations are a short drive away, as are the neighbouring villages of Theletra and Old Theletra. The main roads and the Limassol–Paphos Motorway are within a reasonable drive. This is a versatile piece of agricultural land in a landscape-led setting away from dense development.
