For Sale : **€ 70,000**

Description
Pissouri has a warm, unhurried charm, and this residential plot lets you be part of it. Everyday shops and cafés are within walking distance, so a coffee or a quick errand can easily be made on foot.

The land covers 626 m² of sloping ground with an irregular outline. It fronts a public road, so it has direct road access. Its residential zoning gives room for a home of your own, and the slope and shape invite a design that works with the land rather than against it. You can set your design priorities from the very first sketch.

Life beyond the village is simple to reach too. The Limassol–Paphos motorway is easy to get to, linking you to the wider district while home stays rooted in Pissouri.

It is a plot where a new home can take shape on its own terms, with village life close at hand.
