Description
A field of 1673 m² of agricultural land in Silikou, a village in the Limassol countryside, set in an open rural landscape away from dense development. Its agricultural zoning suits farming, planting or keeping a piece of the Cypriot countryside as a long-term holding. The village centre is a short drive away, as are the neighbouring villages of Kilani and Koilani and local petrol stations. Main roads are a drive away, and the Limassol–Paphos Motorway lies in the wider region. This is a well-proportioned, uncomplicated plot of farmland in the Silikou countryside.
