Description
Set in open countryside near the Evretos Dam, this field listed in Kritou Tera covers 3361 m² of even ground. Its almost regular shape and level surface give it a simple, well-proportioned outline.

The land has direct road access. The villages of Choli, Skoulli and Kato Akourdaleia are a short drive away, as are petrol stations, and the main roads are a drive further on. It sits in the wider Polis Chrysochous countryside of Paphos, well away from dense development. This is a level, regular parcel of rural land with its own road access.
