Description
Agricultural land in Tochni, set in open countryside a short drive from the village centre and from neighbouring Choirokoitia. The field covers 21,405 m² in total. It has a regular shape and a sloping surface, and its agricultural zoning suits farming or planting.

The land has no direct road access. It lies in a landscape-led setting away from dense urban development. This sale is for a half share of the field. It is a well-proportioned piece of agricultural land with a simple, regular outline.
