Description
This agricultural field in Choulou offers 1673 m² of land in an open countryside setting, suited to farming or planting. The village centre is a short drive away, as are the neighbouring villages of Lemona and Kourdaka. A petrol station, main roads and the Limassol–Paphos Motorway are all within a drive.

Its agricultural zoning makes it a versatile piece of land for crops or trees, or it can simply be kept as open farmland. It is offered together with other properties rather than on its own. A straightforward field of farmland in rural Paphos.
