Description
This agricultural field in Choulou covers 6,355 m² and offers a piece of the Cypriot countryside in the Paphos district. The land lies in an open countryside setting. The village centre is a short drive away, and the neighbouring villages of Lemona and Kourdaka are close by.

Its agricultural zoning suits farming or planting, and it is a versatile piece of land to keep in a rural area. A petrol station and the main roads are a drive away, and the Limassol–Paphos Motorway and its junctions are within reach. This is a 6,355 m² agricultural field on the edge of Choulou village.
