Description
Set in the countryside of Choulou in the Paphos district, this field offers 9031 m² of agricultural land in an open rural setting, away from dense urban development. Its size leaves plenty of room for farming or planting, and it could be a practical addition to an agricultural holding in the area.

The village centre is a short drive away, as are the neighbouring villages of Lemona and Kourdaka. A petrol station, the main roads and the Limassol - Paphos Motorway are all within a drive. This is a sizeable, open piece of Paphos farmland.
