Description
This field of 9,365 m² lies in Theletra, in the Paphos countryside of Cyprus, in an open rural landscape away from dense development. It is zoned for agricultural use, so it suits farming or planting, and it is a versatile piece of land to hold.

The village centre, old Theletra and neighbouring Kathikas are all a short drive away, with petrol stations close by. Main roads, motorway junctions and the Limassol–Paphos Motorway are within a drive, which keeps the land well connected to the rest of the district.

This is a sizeable agricultural field with generous room for cultivation.
