Description
For sale: a field in Statos-Agios Fotios, set in an open countryside setting within the Paphos district. The land covers 3345 m² of agricultural ground, with a sloping surface and an irregular shape, and its general use is farming or planting. The village centre is a short drive away, as is neighbouring Koilineia, and the Limassol - Paphos Motorway lies within the wider region. The field is landlocked, with no road access of its own. This sale is for a half share of the field. It is a versatile piece of agricultural land in the Statos-Agios Fotios countryside.
