Description
A field on the market in Agios Georgios, Cyprus, offering 8027 m² of agricultural land in an open countryside setting within the Limassol district. Its agricultural zoning suits farming or planting, and it would also make a practical addition to an existing rural holding.

The neighbouring villages of Monagri and Doros are a short drive away, as is the village centre. Petrol stations and the main roads, including the Limassol to Paphos Motorway, are within a drive.

A generous, uncomplicated piece of agricultural land with plenty of room to cultivate.
