For Sale : **€ 8,000**

Description
Right in the centre of Mosfili, a short walk from the village church, this residential field sits where the everyday life of the community unfolds. It is a setting with simple, unpretentious appeal: a village core, familiar faces and the hills of the Nicosia district countryside all around.

The land has an even surface and a generous frontage onto a public road, so it has direct road access. Its residential zoning offers room for a home at the heart of the village, close to the rhythm of local life. Shops and supermarkets are a short drive away, and the neighbouring village of Mansoura is within easy reach too.

For slower days, Pomos Reservoir is a drive away, a natural spot that adds an outdoor dimension to life here. The sale is for a 1/4 share of the field.

A central village setting with a road frontage and room for a home makes this a place well worth a closer look.
