Description
An agricultural field for sale in Pachna, set in open countryside within the Limassol district. The land covers 1756 m² and is zoned for agricultural use. It is a well-proportioned piece of ground for planting or cultivation, or a practical addition to an existing farm holding.

The neighbouring villages of Agios Amvrosios and Agios Therapon are a short drive away, as is a petrol station. The Limassol–Paphos Motorway and other main roads are within driving distance. This is an uncomplicated rural purchase: a versatile field of agricultural land in the Pachna countryside.
