Description
A field of 7,024 m² in Pachna, set in open countryside within the Limassol district. Zoned for agriculture, it is a versatile piece of land for farming or planting.

The nearby villages of Agios Amvrosios and Agios Therapon are a short drive away, as is a petrol station. The Limassol–Paphos Motorway and other main roads are within a drive, linking the area to the rest of the district.

This is a generous agricultural plot in a rural setting away from dense urban development.
