Description
Belonging to the village of Simou in the Paphos district, this field covers 2,676 m². About half of the land lies in an agricultural zone, where it can be farmed or planted. The other half falls within a protection zone.

The village centre is a short drive away, as are the neighbouring villages of Drymou and Lasa, and main roads can be reached by car. The Limassol - Paphos Motorway serves the wider region.

A modest piece of land, with its agricultural part offering ground to cultivate.
