Description
A generous stretch of agricultural land in Pachna, in an open countryside setting within Limassol district. At 22910 m², the field offers real scale for farming or planting. The ground is uneven and irregular in shape, and the surroundings are natural and rural, away from dense development.

The villages of Pachna, Agios Amvrosios and Pano Kivides are a short drive away, as is a petrol station, while the Limassol–Paphos Motorway is within a drive. This Pachna field is a sizeable, versatile piece of agricultural land.
