Description
A field for sale in Pachna, set in open countryside a short drive from the village and from neighbouring Agios Amvrosios and Pano Kivides. The land covers 6689 m² of agricultural ground, with a regular shape and a sloping surface. It is reached by a track that runs through the field and divides it into two parts.

A petrol station is a short drive away, and the Limassol – Paphos Motorway is within a drive, giving links across the district. This is a well-proportioned piece of farmland in the Pachna countryside.
