Description
A field on the market in Palaiomylos, Cyprus, set in an open countryside setting in the Limassol district, away from dense urban development. The land covers 1329 m², giving a manageable piece of rural ground in a landscape-led corner of the island.

The village centre is a short drive away, as are the neighbouring villages of Agios Dimitrios and Lemithou, along with a petrol station. Main roads are within a drive, and the Astromeritis–Evrychou Motorway lies in the wider region.

This is an uncomplicated piece of the Cypriot countryside on the edge of Palaiomylos.
