Description
Agricultural land in Kato Drys gives you 4014 m² of open countryside for farming or planting. The field lies in the rural surroundings of the village, away from dense urban development, with the village centre and petrol stations a short drive away.

The neighbouring villages of Kato Lefkara and Vavla are close by, and the Nicosia–Limassol motorway is within a short drive. Further motorway links towards Larnaca and Limassol are a drive away. This is a practical, uncomplicated parcel of farmland in the Larnaca countryside.
