For Sale : **€ 4,000**

Description
An agricultural field for sale in Sia, set in open countryside a short drive from the village centre. The field extends to 7358 m², with a flat surface and a regular shape that suit farming and planting. The nearby villages of Kornos and Mosfiloti are close at hand, and the Nicosia to Limassol motorway is a short drive away, so Sia sits within reach of both cities and their markets. This sale is for a one-seventh share of the field. It is a level, regular parcel of farmland in the Nicosia countryside.
