For Sale : **€ 550**

Description
A field on the market in Kato Drys, Cyprus, set among the open countryside around this Larnaca village. The land measures 750 m², with an irregular shape and a sloping surface, and it borders a pathway.

The village centre is a short drive away, as are the neighbouring villages of Parsata and Drapeia, petrol stations and the main roads of the area. The Nicosia–Limassol Motorway is also a short drive away, and the motorway towards Larnaca is within a drive. This is a modest, uncomplicated piece of rural land in a landscape well away from dense development.
