Description
Set in an open countryside setting in the Limassol hills, this agricultural field on the market in Vasa Koilaniou, Cyprus, offers 6689 m² of land for farming or planting. Its agricultural zoning makes it a practical addition to an existing rural holding, or a straightforward start on a new one.

The village centre is a short drive away, as are the neighbouring villages of Arsos and Omodos. A main road is within a drive, and the Limassol–Paphos Motorway serves the wider region.

In all, this is a versatile piece of agricultural land in the countryside of Vasa Koilaniou.
