Description
A field of 2,676 m² in Prodromos, set in open countryside away from dense urban development. The village centre is a short drive away, as are the neighbouring villages of Palaiomylos and Lemithou and a petrol station. The main roads are a drive away and connect the area with the wider Limassol district.

This is an uncomplicated rural land purchase, a piece of the Cypriot countryside in a landscape-led setting. The land is an open, sizeable field within the village area of Prodromos.
