Description
A field of 3,345 m² in the countryside of Prodromos, in the Limassol district. It sits in an open, rural landscape away from dense urban development. The village centre is a short drive away, as are the neighbouring villages of Palaiomylos and Lemithou and a petrol station. Main roads can be reached with a slightly longer drive. The land lies within a protected rural area, where its value rests on its countryside character. It is an uncomplicated piece of the Cypriot countryside.
