Description
This field in Dora, in the Limassol district, covers 3011 m² of open countryside. The ground is inclined and irregular in shape, following the natural lie of the land, and the field has direct road access. The village centre of Dora is a short drive away, and so are the neighbouring villages of Kidasi and Gerovasa. The Limassol–Paphos Motorway can be reached by car, with main roads and motorway junctions across the wider region. It is a sloping parcel of Cypriot countryside with its own road access.
