Description
Set in open countryside outside the village of Dora, in the Limassol district, this field covers 6,689 m² of sloping ground with an irregular shape. It has direct road access along a dirt road, so reaching the land is straightforward.

The village centre is a short drive away, as are the neighbouring villages of Kidasi and Gerovasa, and the Limassol–Paphos Motorway is within driving distance. It is an uncomplicated rural land purchase in a landscape-led setting away from dense development. A generous piece of the Cypriot countryside, with open, sloping ground in the Dora area.
