For Sale : **€ 7,000**

Description
This agricultural land in Gourri is a piece of the Cypriot countryside, a short drive from the village centre. The villages of Lazanias and Fikardou are also a short drive away, and the main roads of the wider region are within reach. The field is irregular in shape, with an uneven, natural ground surface, in an open setting away from dense urban development. It has no direct road access. This sale is for a half share of the field. It is a sizeable stretch of open rural land in the Gourri countryside.
