Description
An agricultural field for sale in Agios Therapon, set in an open countryside setting in the hills of the Limassol district. The plot measures 1422 m², a well-proportioned piece of land away from dense urban development. The village centre is a short drive away, as are the neighbouring villages of Lofou and Agios Amvrosios and a petrol station. The Limassol - Paphos Motorway and other main roads are within driving distance. The field is offered as part of a group of properties rather than on its own. It is a modest, uncomplicated piece of the Agios Therapon countryside.
