Description
A field on the market in Agios Therapon, Cyprus, in an open countryside setting away from dense urban development. The land measures 1673 m² and lies a short drive from the village centre. The neighbouring villages of Lofou and Agios Amvrosios are also close by, and a petrol station is a short drive away. The main roads and the Limassol–Paphos Motorway are a drive away. This field is sold together with other properties as one group, not on its own. It is a simple piece of the Cypriot countryside around Agios Therapon.
