Description
A piece of the Cypriot countryside, this agricultural field in Agios Therapon covers 2342 m² of open land in the Limassol district. It lies in a rural setting away from dense urban development. The village centre is a short drive away, as are the neighbouring villages of Lofou and Agios Amvrosios and a petrol station. The Limassol–Paphos Motorway is a drive away. The field is not sold on its own; it is offered together with other plots as one group. Altogether, it is an uncomplicated rural land purchase in the countryside around Agios Therapon.
