Description
A field of 1505 m² in Sykopetra, set in the open countryside of the Limassol district and away from dense urban development. It is a well-proportioned, uncomplicated piece of rural land. The village centre is a short drive away, as is the neighbouring village of Kampi. Main roads are within a drive, and the Nicosia - Limassol Motorway and a motorway junction serve the wider region. This is a straightforward piece of Sykopetra countryside of a manageable size.
