Description
A field on the market in Agros, Cyprus, set in open countryside and away from dense urban development. The land covers 2342 m² of sloping, irregularly shaped ground and forms part of the rural landscape around this Limassol district village.

The village centre of Agros is a short drive away, as are the neighbouring villages of Agios Theodoros and Alona. The Limassol–Saittas road lies in the wider region, and petrol stations are within walking distance. This is a sloping parcel of open countryside on the edge of Agros.
