Description
Set on rising, sloping ground in a rural part of the Limassol district, this field sits a short drive from the centre of Kissousa village. The land has an irregular shape and a natural slope, in a countryside setting away from dense urban development. The neighbouring villages of Pachna and Malia are also a short drive away. The Limassol–Paphos Motorway and a petrol station are within driving distance, and the Limassol–Saittas Motorway serves the wider region. With 3679 m² to its name, this is a sizeable piece of sloping countryside land around Kissousa.
