Description
Set in an open stretch of countryside, this field in Kissousa covers 3011 m² of sloping ground with an irregular shape. The surroundings are rural, well away from dense development, with the wider Limassol hills around it.

The village centre is a short drive away, as are the neighbouring villages of Pachna and Malia. A petrol station and the main roads, including the Limassol - Paphos Motorway, are within a drive, which keeps the coast and the city within comfortable reach. This is an uncomplicated piece of rural land on a natural slope, part of the Kissousa countryside.
