Description
A small field in Agridia, in an open countryside setting within the Limassol district. It is zoned for agricultural use, so it suits farming or planting on a modest scale. It could also be a practical addition to an agricultural or rural property in the area.

The village centre is a short drive away, as are the neighbouring villages of Chandria and Kyperounta. Petrol stations and the main roads are within a drive. This sale is for a one-eighth share of the field. At 35 m², it is a compact and uncomplicated piece of agricultural land.
