Description
Covering 9365 m², this open agricultural field lies in the countryside of Agridia, in the Limassol district. The land is zoned for agriculture and suits farming or planting, and its generous size gives plenty of room to plan crops.

The village centre is a short drive away, as are the neighbouring villages of Chandria and Kyperounta. Petrol stations and the main roads are within easy reach by car. This sale is for a one-eighth share of the field. It is a versatile piece of agricultural land in an open countryside setting.
